Pursuant to 47 C.F.R. Section 63.12, the Applicant seeks to streamline its 214 application. While Opextel, LLC is 100% owned by 123.com.ve, C.A., a long distance carrier providing telecommunications services in Venezuela, Venezuela is a member of the WTO and 123.com.ve controls less than 2% of the long distance market in Venezuela.

Accordingly, the Applicant respectfully requests streamlining in accordance with the FCC rules and regulations.

Applicant will seek to provide service to all international points including Venezuela. As stated herein, the long distance foreign carriers 123.com.ve, C.A. is a non-dominant carrier in Venezuela as defined by the FCC's Rules and Regulations.
